About the Conference | Better Together 2023, our first multidisciplinary since the Coronavirus Pandemic, will bring together organizational leadership and three key disciplines of The Salvation Army to enhance understanding, aptitude and collaboration. The Conference will be held in Dallas, Texas on April 17-20, 2023. It will offer an opportunity to connect influential leaders, development practitioners and frontline service professionals and partners to maximize our work for greater impact, together.

Why Sponsor | Throughout the conference, you will have opportunities to meet face-to-face with frontline practitioners as well as divisional, territorial and national Salvation Army leadership. We have built-in programming and dedicated exhibit hall time to maximize exposure and networking opportunities. Your support will help provide guidance and education to those serving on the frontlines and to partners throughout the United States and Canada.

As a sponsor, you will have the opportunity to showcase your organization to conference delegates during high-visibility times, like meals, workshops and general sessions.
